**Time is energy**

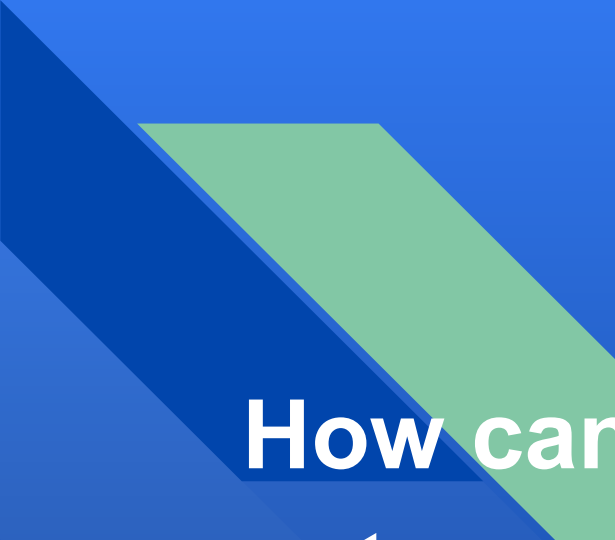

**What impact does patterns of energy have on how you organize?**

**How does reducing physical  
movement impact time?**

**Can you bend time towards you?**

**How can you organize yourself to  
get a week's worth of work in one  
day?**

**Can you brain hack yourself to be  
super productive?**

**What impact does downtime have  
in how productive you can be?**

**Use the power of 72 hours to  
re-organize**

**Thank you**
